

# ***Cruise to the Wreck***

## ***Thursday-Sunday, October 7-10***

**Cruise Registration Deadline is September 30**

### ***Thursday, October 7 at the Wreck Room***

Arrive at your leisure and enjoy free time with your fellow cruisers. Bring a plate of heavy hors d'oeuvres to share with 8-10 people. Enjoy no host cocktails from the bar, and discover the fun itinerary we have planned for the next few days. Get your info packet and "proof of participation" (to be explained later).

**2100:** Late night movie for those game enough to enjoy the antics of ***Captain Ron*** (Popcorn and snacks included) in the Wreck Room.

Games are also available if anyone wants to play Spinner, Mexican Train, Poker, etc.

Spend the night on your boat, bunk on the boat of a friend, or go home and join us again at the same place tomorrow!

### ***Friday, October 8***

**1000: Guided Shoreline Walk.** Enjoy a guided walk/hike along the shore learning something new about the flora and fauna around us, in addition to tidbits of history about Port Ludlow. There will be no major hill climbing, and should only be about two miles.

**1400:** The ***Nautical Scavenger Hunt***. Find these items on your boat, or that of a friend, then bring your goodies up to the "A" Dock Float or *Inspiration* (depending on the weather) to be evaluated. You could win a prize that will be the envy of all your friends!

**1500: Jewelry Exchange.** Ladies, bring those lovely pieces of costume jewelry that are "just not you anymore," and exchange them for different items that catch your eye. Should you find yourself with pieces left over, we will donate them for you to *Working Image*.

**1500: Gentleman's Club.** Gentlemen, this is your opportunity to enjoy a nice cigar (courtesy of your cruise directors) on the "Bridge to the Wreck" with fellow members who share this interest.

**1700:** Its time for the ***Commodore's Cocktail Contest***. Help create and make a batch of what you consider a drink worthy of being named the Commodore's Cocktail, to be served in the Wreck Room at a later time. Plan to serve your samples (sample glasses to be provided by cruise directors) to the willing taste testers in the Wreck Room. Popular votes will determine the new PLYC Commodore's Cocktail!

**1900:** Continue the fun at the Wreck Room after the scientific evaluation of the aforementioned cocktail concoctions, and build a sandwich for yourself. Sandwich fixings and salads courtesy of your cruise directors.

**2100:** Another late-night comedy will be available for anyone wanting to stay up and keep company in the Wreck Room.

### ***Saturday, October 9***

**1000:** Join us for a **Pancake Breakfast** complete with Bloody Marys or orange juice and coffee at the Wreck Room. You can even come in your jammies if you feel so inclined!

**1200-1400:** Get the jump on everyone else on the **Marine Poker Walk/Drive**. YOU choose how many places you want to visit, but at the end of the day, the person with the winning five-card poker hand gets an awesome prize! The more places you visit and the more cards you get, the better your hand could be!

**1400: PLYC Business Meeting.** Join our fellow members at the Bay Club to vote on recommendations for the Wreck Room. Think how much fun we're having this weekend, how nice it is to meet in our own at our great space, and how wonderful it is to be able to host other yacht clubs and exchange ideas.

Dinner is on your own tonight. If you want to come back and enjoy another movie, we will show **Master and Commander at 2100**. As before, board or card games will be available for those who like to "play around" before retiring for the night.

### ***Sunday, October 10***

**1100:** Enjoy your time to wind down the cruising season. Stroll the docks, appreciating the fine vessels in our club, and enjoy our **Progressive Brunch**. Dishes will be assigned, and a list of the participating boats and their dock location will be available.

**1600:** Walk over to the Marina and enjoy the **End of Cruising Season Celebration**, that we hope will become an annual event.

We will then return to the Wreck Room for a sit down dinner of ham or turkey breast, as you build your own baked potato with all the fixin's, and enjoy salads and desserts provided by assigned members.

**Participation and winner's prizes to be awarded at this time.**
